Night Light Speaker with wireless charger

URL Link: <https://staging.ultimateinspiration.com.au/product/night-light-speaker-with-wireless-charger>

Description

Transform your night time routine with the Night Light Speaker with Wireless Charger, a versatile addition to your space. This sleek device combines premium Bluetooth audio for immersive music playback with 3-level nightlight that shifts to a calming breathing mode during wireless charging. Effortlessly power up smartphones on its 15W fast-charging pad, designed for speed and convenience. Customise your logo with screen print or UV print . Ideal for bedrooms, offices, or cozy corners, it blends ambiance, functionality, and style seamlessly. Elevate your environment—day or night.
