Description

Create a custom tradeshow display with our new Stretch Table Covers with Open Back. Made of 240g Elastic Polyester, that will give your booth a professional appearance. The tablecloth can be sublimation printed with all colours and different patterns. The open back design make it easier to store items at events while keeping the front neat and tidy. Rubber foot sets on the inside are attached to the table legs to keep the tension tight. It's ideal for promotional events and tradeshow to add an extra visual element to your display.
