Description

Our sublimated custom baseball jerseys are made of 150gsm 100% polyester micro mesh. They feature lightweight, anti-wrinkle, and moisture-wicking properties, ensuring comfort and keeping you cool and dry even during extra innings. Two front buttons add a touch of classic flair. We offer customized services for branding your team names, club logos, and sponsor logos. Additional options include adding individual names and numbers to the front and back, chest or arms. Take to the field in style with our baseball jersey to bring out your team's true spirit.

To achieve effective branding logo display, we recommend the following:

- Minimum width of logo is 10cm. For size L, above size will be better accordingly.
- At least 5cm away from the seam of the garment.

To achieve effective branding logo display, we recommend the following:

- For the front chest and mid back, we suggest a maximum width of 20cm. For size L, width above 20cm is better accordingly.
- At least 5cm below collar.
- At least 5cm away from the seam of the garment.

Please note that designs that extend from the body of the item to the sleeve or collar, when may not match up perfectly due to differences in curves of the material.
