Description

Never get caught in the rain again, with our great new umbrella range! Our Sports Umbrella comes complete with a full surface branding area, your brand will be clear to see. Made of 210T pongee canopy material, with automatic opening. A double canopy design, allows for ventilation on hot days. Both canopies can be customised with full surface digital print, of the same or different designs. The EVA handle can be upgraded to ABS material, which allows for the additional branding option of an epoxy doming sticker on the bottom of the handle. This is definitely a great promotional giveaway, ideal as a cost effective and practical item for companies, schools or any organisations.
