URL Link: <https://staging.ultimateinspiration.com.au/product/fantasy-wireless-charger>

Description

The wireless charger is compact, lightweight and portable. Ideal for use in the home, office or on the go. It provides you with the latest in charging technology. For phones that don't support wireless charging, an optional adapter is also available, which also allows you to use the wireless technology to charge your device. Compatible with most phones on the market. It's compatible with the Qi wireless charging standard phone models (E.g. iPhone, Samsung8, iPhone 8).
