Description

Small reusable face mask which provides protection with two layers of 140gsm polyester. The mask is easily reused by hand washing it in warm water. Comfortable elastic ear loops hold the mask securely in place and can be black or white. The front panel can be branded with stunning edge-to-edge full colour print and the inside layer of the mask will match the outer print. This face mask is manufactured for use in the home or for recreational or occupational use and it is supplied in an individual polybag which is labelled with care instructions. A production lead time of 20 working days applies to this product by air freight and larger orders can be sea freighted on request to reduce the freight cost.
