Notes

Details such as measure, weight indications are approximate figures only. We reserve the right to change colours, printable areas, technical details or designs.

To achieve effective branding logo display, we recommend the following:
• For the front panel and back panel, use a minimum width of 10cm.
• For size L, with other sizes being scaled accordingly.
• All text must be 10mm or larger.
• All text must be 10mm or larger.

Front

Back

To achieve effective branding logo display, we recommend the following:
• All text must be 10mm or larger.
• All text must be 10mm or larger.

Front

Please note that designs that extend from the body of the item to the armhole or collar, often may not match up perfectly due to differences in curves of the material!

Back

When a pattern extends across 2 panels, such as connecting the front and back panels in a side seam, often designs will not perfectly align. Generally, there's about 0.5cm allowance for this mismatch.
