Description

Stylish 3W, metal Bluetooth speaker which is compatible with all mobile devices that support Bluetooth. It has a wireless connectivity range of over 10 metres and can also be used with an audio cable. The speaker has a radio function, a colourful light display, a built-in microphone for phone calls and music playback can be controlled directly from the speaker. Playing time is 1.5 hours and it is easily recharged from a laptop, a power bank or a USB mains adapter. Oracle laser engraves to a natural etch and is presented in a gift box with a Micro-B USB cable, an audio cable and an instruction leaflet.
