Description

Enjoy sunny days or grocery runs with this insulated cooler bag, made from 210D polyester and designed to keep contents fresh. It features a front pocket for extra storage and offers generous space for custom branding. A smart pick for everyday use that puts your logo front and centre. Screen printing on black bags requires a white base to be printed, then your chosen artwork on top. An initial setup, repeat set up and additional colour charge is applicable. Please note a standard digital transfer CMYK cannot be exactly PMS matched. To convert artwork colours from CMYK to PMS is TBA per colour. For digital transfer printing, please ensure art and colours are at full opacity.
