Description

The Bambu Phone Holder is a clean, considered piece for your workspace. Made from high-quality bamboo, it holds your device at the right angle, whether vertical or horizontal, so you can take calls, watch videos, or scroll hands-free. Its compact design keeps things tidy, while the natural bamboo finish adds warmth to your desk. With space to charge while in use, it's a smart choice with a lighter environmental footprint. Please note: If this product is engraved the colour and texture will vary from piece to piece due to the nature of the material. We can laser engrave however please note no two products will have the same outcome. We encourage Food Grade Ink, which is FDA-approved. Material: Nature Bamboo
