Description

It’s the ultimate test of steady hands and strategy – the classic block-stacking game! Stack the wooden blocks into a towering structure, then take turns carefully pulling them out one by one. The goal? Be the last player to remove a block without sending the tower crashing down! Includes a handy polyester sleeve for easy storage. Brand it up on the white pouch and get ready for a game full of tension and fun! Please note a standard digital transfer CMYK cannot be exactly PMS matched. To convert artwork colours from CMYK to PMS is TBA per colour.
