Description

The OTG Swivel USB Flash Drive is the ultimate solution for transferring files between your Android mobile phone and other devices effortlessly. Features: Dual Compatibility: Works with Android devices featuring a micro-USB port and standard USB devices like computers or laptops. Swivel Design: Protects the connectors when not in use and provides a sleek, compact design. Plug-and-Play: Simply plug it into your device to easily upload or download files without the need for additional software. Portable and Convenient: Small and lightweight, perfect for carrying in your pocket, bag, or on a keyring. Versatile File Sharing: Transfer photos, videos, documents, and more between your phone and other devices with ease.

Details
