Description

The Ecowriter Clipboard is the perfect way to keep your workspace organised while making a positive impact on the planet. Made from durable bamboo wood, it's the eco-friendly choice that adds a natural touch to your office. Show your employees you're not just about business but about making a difference, too. Stylish? Yes. Sustainable? Absolutely. And most importantly, it gets the job done with flair! Product features: • Made from biodegradable bamboo • Durable • Naturally anti-bacterial &#8211; bamboo is resistant to bacteria whilst simultaneously being resistant to odours • Sturdy and durable stainless steel clip We can laser engrave however please note no two products will have the same outcome. We encourage Food Grade Ink, which is FDA-approved. Product care: Bamboo is commonly referred to as a &#8220wonder&#8221; material, and its characteristics make it difficult for liquids to absorb, making cleaning a breeze. Simply hand wash with soapy water and you&#8217;re good to go. All chopping boards are wrapped in recycled kraft paper to protect their surface during transit. You can either recycle or compost the kraft paper after receiving the product.
