Description

Made from 50% recycled materials, these 10mm wide flat polyester shoelaces (900mm long) are sold in pairs and designed to get your brand moving. Featuring a vibrant full-colour heat transfer print on both sides in a repeating pattern, your logo takes centre stage. However, just note that the reverse side will start at a random point and the same logo must be used on both sides. These are fully sublimated and come in a white base colour.
